LIMITATIONS: Conduct tests on various painted surfaces to ensure compatibility. Product may soften or remove some paints. Do not use on resilient tile, rubber, or asphalt.

■ **Compliances**

Federal EPA V.O.C.
Meets USDA specifications for use in food processing areas.

■ **Limitations**

- Do not use on:
- Resilient tile
 - Rubber
 - Asphalt
 - Painted wall surfaces

■ **Coverage**

150 sq. ft. / gal or 3.7 sq. m. / L

■ **Caution**

- Use protective gloves and goggles
- Do not use near fire, flame, spark or ignition source
- Harmful if swallowed
- For use by trained personnel only

Disclaimer of Warranties: Neither manufacturer nor seller have any knowledge or control concerning the purchaser's use of the product. No expressed warranty is made by manufacturer or seller with respect to the results of any use of the product or container that the product comes in. No implied warranties including, but not limited to, an implied warranty of merchantability or an implied warranty of fitness for a particular purpose are made with respect to the product. Neither manufacturer nor seller assume any liability for personal injury, loss or damage resulting from the use of the product. In the event that the product shall prove defective, buyer's exclusive remedy shall be as follows: Seller or manufacturer shall, upon request of buyer, replace any quantity of the product which is proven to be defective or shall, at its option, refund the purchase price of the product upon return of the product. Manufacturer shall not be responsible for use of this product in a manner to infringe on any patent held by others.

5/01 PRINTED IN U.S.A.

Citrus-Cleaner™

Mother Nature has provided the most effective cleaning agent in **Citrius-Cleaner™**.

Orange oil, derived from expressed orange peels, makes **Citrius-Cleaner™** a revolutionary cleaner/degreaser that handles the **toughest industrial jobs**.

Traditional cleaner/degreasers are made from chlorinated or hydrocarbon based solvents that can be dangerous to use and to dispose of. They can be costly and restricted in their application.

With the advent of **Citrius-Cleaner™** and its **broad effectiveness**, industrial cleaning has just become *safer* for everyone and the environment.

Citrius-Cleaner™ is a **cost effective** concentrate that replaces the need for stocking multiple application-specific cleaners.

Available in: 1 Gallon / 3.78 Liter
5 Gallon / 18.9 Liter
55 Gallon / 208 Liter

Powerful enough for the toughest industrial jobs...

Citrius-Cleaner™ removes grease, oil, and caked on sludge.

BENEFITS:

- **Management...** Less risk of EPA or OSHA fines, less chance of employee health related lawsuits. Not regulated by Clean Air Act.
- **Workers...** Pleasant orange scent, non-toxic, non-flammable, non-carcinogenic.
- **Environment...** Made from recycling orange peels, 100% biodegradable, non-hazardous waste. FDA recognized as safe. Meets USDA specifications for use in food processing areas.

Citrius-Cleaner™ removes black rubber tire marks, stains, oils, grease and other contaminants from concrete surfaces in warehouses, industrial plants, factories, and parking garages.

Its light, pleasant orange scent is a welcome alternative to the overwhelming, unsafe odors from harsh solvent cleaners.

EXCELLENT CLEANER FOR:

- **Equipment**
- **Floors**
- **Metal Parts**

Citrius-Cleaner™'s hardworking degreasing and cleaning action keeps equipment looking like new. Spray or wipe on, wait 5 minutes, and rinse off. The results are dramatic!

Citrius-Cleaner™ works quickly in dip tanks and parts cleaners, reducing cleaning effort and time. It provides a safe alternative to dangerous vapor degreasing.
